

# MORE THAN YOUR MONEY BACK

Every single performance is totally guaranteed and backed with our money-back promise.

Kennedy is one of the **ONLY** entertainers in the UK who says "you love it or I don't get paid" and *he means it*.

IF you were to watch Kennedy's performance and for whatever reason made the decision that it was not fantastic value then we will not only refund you his fee\* but if Kennedy is agreeable that the show was sub-standard then we'd give you another complimentary performance\* too!

Kennedy genuinely cares so much about every single event, that he will do everything within his power to make it a fantastic success.
